February 26, 2014 **UPDATE!**

Dialog with Eddie Cabe - § 128-1.1. Dual-office holding allowed.

This is a story about Abuse of Power. The main characters are the five (5) county commissioners and **Mary Ann Enloe**, recently re-appointed to the Board of Equalization and Review at the February 17th county commission meeting.

Enloe was re-appointed in clear violation of North Carolina General Statute § 128-1.1. Dual-office holding allowed, which provides that an individual can hold two (2) public offices, not three. **Enloe** is currently serving (appointed) on the Haywood County Fairgrounds Board and was appointed by commissioners to the Haywood County Community College Board of Trustees, while also having been appointed to the Board of Equalization and Review over the past several years.

Throughout this dialog, multiple influential people were copied, yet remained completely silent! The loud sound you heard in the center of Haywood County was the circling of wagons around **Mary Ann Enloe**. **Vicki Hyatt** of the Mountaineer and **Becky Johnson** of the Smoky Mountain News have been copied, but do you ever think you will read a word about this in either publication? Don't forget, **Mary Ann Enloe** provides fluff pieces to the Mountaineer as a part time writer (and presumably gets paid).

Two commissioners are conspicuously missing from this dialog cc list:

- **Kirk Kirkpatrick** (running as candidate for county commissioner in the next election), and
- **Kevin Ensley** [RINO].

Both of these commissioners have refused to accept e-mail from me as I am on their "DO NOT COPY LIST".

This just goes to show you the extent of what these people (county commissioners and everyone else) think they can do and get away with in this county. These people are dug in like ticks and as many as possible need to be replaced in the next election.

This dialog starts out innocently enough, with taxpayer Eddie Cabe asking simple questions regarding candidates for the upcoming appointments by county commissioners for the Board of Equalization and Review. Denny King (running as candidate for county commissioner in the next election) makes the astute observation that one of the candidates is already holding two (2) publicly appointed posts. The [expletive deleted] hits the fan after that with a dialog (mostly) between Eddie Cabe and me. **Michael Sorrells** chimed in and is now probably sorry he added his comment attempting to defend his wife, **Susan Sorrells** (Board of Trustees member at Haywood Community College).

Enjoy...

Monroe A. Miller Jr.
Haywood County Taxpayer.

UPDATE! There has been additional dialog after my e-mail to Sheriff Christopher and Chief Hollingsed. It includes an additional letter by Denny King, and a facebook posting my Mary Ann Enloe. I took the opportunity to transcribe her posting and dissected it. I believe we have witnessed the Great Mary Ann Enloe Meltdown of February 21, 2014. New stuff starts on page 23.

Good Morning ,
The Republicans of Haywood County and the Haywood County GOP members have a few more Questions About the appointments to the Board of Equalization and Review. Plus I still have not gotten answers to my first set of Questions from Feb,8

I guess it don't matter much though, cause I see the positions are not open to Republicans !

Here read some of our thoughts on this

""""We've heard the NC Dept. of Revenue encouraged commissioners to not sit on the board of equalization. Why? According to our tax collector/assessor, it's become political.

There were 15 applicants for the board of equalization, not 14. The board is supposedly non-partisan; meaning not political.

It is our understanding that....

Six (6) applicants were democrat. 100% of the democrat applicants were appointed to the board of equalization for a total of six (6) appointed.

Four (4) applicants were republican. 100% of the republican applicants were NOT appointed for a total of zero (0) appointed.

Four (4) applicants were unaffiliated. 25% of the unaffiliated applicants were appointed for a total of one (1) appointed.

One applicant affiliation is unknown to us.

What are the odds that 100% of the democrats applying would be seated, and 100% of the republicans applying would not be seated?

I have always thought it was a conflict of interest for our commissioners to sit on this board. Fortunately our state has encouraged commissioners to stay off the board. However, our sitting commissioners did appoint two former commissioners to the board last night.

It is my opinion; the board of equalization by all appearances is political, even with commissioners not sitting on the board. """"

One other Question...

. How much did each board of equalization member make sitting on the board in 2011 including the two sitting commissioners? Payment to the 2011 Board of E&R - Mary Anne Enloe - \$2,125.00; Mark Swanger (chairman) - \$2,575.00; Evelyn Cooper - \$2,100.00; Wade Francis - \$1,995.00; and Carroll Mease - \$2,100.00. The rate of pay was \$130 per day for the chairman and \$105 for the other members. Commissioner Bill Upton was named as an alternate member of the Board of E&R, but our records do not indicate that he received payment for service.

Since 2004, the rate of pay for the Board of E&R has been \$105 per day for board members and \$130 per day for the person serving as chairman.

What is the party affiliation of the board of equalization members in the past ten years? Our board application form does not ask for party affiliation, so that information has not been collected.

What is the name of the board of equalization chairs for the past ten years?
2003 & 2004 - Carlisle Ferguson
2005 & 2006 - Wade Francis
2007-2010 - Board of Commissioners served as Board of E&R. In 2007 & 2008, Mary Ann Enloe chaired; In 2009 & 2010, Bill Upton chaired.

How many of the 2011 "Haywood County Notice of Decisions" by the board of equalization were not unanimous?

Mr. Teague

I have included (in this e-mail) your previous answers to my questions for the benefit of all.

And would like to ask a couple more Questions about our new board members.

It appears 7 people were appointed to the Board of Equalization and Review

Stovioll, Jim Francis, Jimmy Flynn, Evelyn Cooper, Jan Pressley , Wade Francis. Mary Ann Enloe ,Right?

How many of these hold Dual offices?

In other words how many of these 7 people are presently serving on other boards or positions that they have been appointed to by the Commissioners?

Thank you again sir.

Eddie,

What do you make of this?

Enloe has been on the Board of Equalization for a while now while Chairman of the Fairgrounds Board, so it looks like the first time she violated this NC General Statue was when the commissioners appointed her to the HCC Board of Trustees.

It would be interesting to go back and determine how many of her votes on the HCC Board of Trustees were valid during this interval.

Which appointed position do you think she will punch out on? I say all three!

Is this a jail-able offense?

Monroe,

The answer to your question is no ? As I understand it Mr. Swanger has stopped any screening of Applicants. The new rule is simply appointing only those with a (D) after their name. There were 15 applicants for the board of equalization

It is our understanding that....

Six (6) applicants were democrat. 100% of the democrat applicants were appointed to the board of equalization for a total of six (6) appointed.

Four (4) applicants were republican. 100% of the republican applicants were NOT appointed for a total of zero (0) appointed.

Four (4) applicants were unaffiliated. 25% of the unaffiliated applicants were appointed for a total of one (1) appointed.

One applicant affiliation is unknown to us.

A very very Political move Mr. Swanger !

I got a question for you. That Enloe lady, is she the one who was mayor of Hazelwood ?
Did that entire town not go bankrupt and have to be absorbed by Waynesville or something like that? Do you recon that's why the Fair Grounds is going bust also and had to hit the Tax Payers for about \$430,000.00 in the form of a Bailout ? Does this mean HCC could be next to go belly up! This is really sad for Haywood.....

Have a great day

These are all good questions, and I will provide information that I have.

First is an e-mail I had received from Mary Ann Enloe on May 5, 2011, as we were dialoging when I was attempting to get IRS form 990 tax information regarding the Fairgrounds Board finances. I will highlight the e-mail I received from her in blue, copied directly into this dialog. It provides some of Ms. Enloe's background and achievements.

[Editors Note: This is an e-mail I had received from Mary Ann Enloe on May 5, 2011, which shows that she was involved with the financial decisions with the Haywood County Fairgrounds Board. She was Chair at that time, and probably still is. Her letter is indented and in blue.]

Mr. Miller:

This is the second acknowledgment of your email which was acknowledged the first time. As I said in the first one, you will receive "hard" copies of the 990's when they are available. When they are delivered to us by the HCAAC, you'll be the first to know.

Within the next few weeks, all old HCAAC records that are available will be transferred to the new Haywood County Fairgrounds, Inc. office space provided by volunteers at the Fairgrounds. The now-defunct HCAAC doesn't need the paperwork and we will soon have adequate storage space for it. Whatever is turned over to us will be available for public perusal by appointment..

As a matter of record, Tuesday night's email to you was forwarded to the HCFB within less than two hours after I sent you the original--10:47 p.m. Tuesday. At that time the email I sent you was also added to the HCFB's Yahoo Group.

As you know, The HCFB has until May 15 to file our paperwork with the IRS. As I emailed you earlier, we will meet that deadline. In your email you referred to a "502-c3", but I'm sure you meant to type "501-C3."

Also, Tuesday's email was addressed to "MR. Enloe"..My husband died in 1977. Please change your records to read "Mrs. Enloe or Ms. Enloe".

Feel free to email me anytime. I will read every email you send me and I will reply to you and your contact list that I have done so.

I made a decision when the cyberspace era arrived that I would not acknowledge opinions which attempt to sully reputations. I'm just a 70-year-old woman who, with the exception of college and a year near Heidelberg, Germany, has lived in the same little old Haywood County house by the side of the road just trying to get along and earn herself a hole in Green Hill.

I am always glad to address logical questions which can be answered with quantifiable data. I do that for everybody. I'll be happy to do that for you--one time for each question, with no 'follow-up acknowledgments to acknowledgments'--within two weeks of receipt of your email, unless it is physically impossible to meet that timetable. If your questions cannot be

answered within two weeks, you and your contact list will be notified. An answer-date estimate will be given.

Since Mary Ann Enloe is on this copy list, I encourage her to respond directly to your question if she drove Hazelwood into bankruptcy.

Regarding the Fairgrounds debunkle, I can say that the problem was exacerbated because the Fairgrounds was run by a 501 C3 corporation and never had enough money, which is why Bruce Crawford, the Haywood County Building Inspector let the place run for over six years with a temporary Certificate of Occupancy, culminating with the North Carolina Department of Insurance shutting the place down. Please see my criminal complaints against Bruce Crawford and Johnny Glance (Haywood County Fire Marshall) on www.haywoodtp.net -

[Criminal Complaints against Bruce Crawford, Haywood County Building Inspector, and Johnny Glance, Haywood County Fire Marshall, sent to Haywood County Grand Jury. 12/31/2012...](http://www.haywoodtp.net/pubII/121231Complaint.pdf)

<http://haywoodtp.net/pubII/121231Complaint.pdf> .

These Criminal Complaints are sitting on Michael Bonfoey's (Haywood County DA) desk at this very moment, collecting dust.

County Commissioners had to cough up \$430K (of taxpayer money) to put in toilets and ADA facilities into the Fairgrounds Arena Building before the place could be re-opened.

As far as HCC going bust, I haven't gotten over the new president, Barbara Parker, sand-bagging me at a recent HCC Board of Trustees meeting regarding my request for public information regarding the operation of the FLS solar thermal equipment. I am so livid with her I cannot see straight. Since she is on this copy list, perhaps she will respond to your question.

Eddie,

Please find attached the Application for Appointment Form that Enloe filled out for the Board of Equalization and Review on 2/4/2014 [re: Attachment 9 of last county commission meeting]. Note the first question:

COUNTY BOARDS OR COMMITTEES PRESENTLY SERVING ON:

This gal has nerve.

This just goes to show you the extent of what these people (county commissioners and everyone else) think they can do and get away with in this county.

I was looking over a past Toeprints, <http://haywoodtp.net/pubTP/T120917.pdf> , reviewing some ethics problems Susan Sorrells (wife of current county commissioner Michael Sorrells) had related to HCC Board of Trustee stuff, and it occurred to me that this is also a possible ethics problem for Enloe.

[Chapter 138A., State Government Ethics Act. , Article 1. , General Provisions. § 138A-3. Definitions.](#)

[The following definitions apply in this Chapter:](#)

[k. For the Community College System, the voting members of the State Board of Community Colleges, the President and the chief financial officer of the Community College System, the president, chief financial officer, and chief administrative officer of each community college, and voting members of the boards of trustees of each community college.](#)

I will dust off the complaint form that I used for Susan Sorrells and fire one off to the State Ethics Commission as soon as I can get it notarized. The interesting thing here is that there is a common denominator to this fiasco, and that is Michael Sorrells, who is running for County Commissioner again. He is the husband of Susan Sorrells, and he took part in a vote + run-off vote at Monday's county commission meeting which landed Enloe on this board again.

Will keep you posted.

Monroe

[**Editors Note:** A complaint was filed against Mary Ann Enloe with the North Carolina Ethics Commission and sent off this day, for failing to qualify for holding the position of Board of Trustee at the Haywood Community College, as she was holding to other appointed positions at that time.]

The interesting thing here is you're ethics complaint against Susan Sorrells was found to have no violation and you where sent the finding but I find no reference to it at all in you're publication. Maybe you should report that to all you're conspiracy theorist before you start on someone else.

Mr. Sorrells,

Thanks for your reply. I thought everyone in the county was asleep, or had no interest in this matter.

I was provided a Notice by the N.C. ETHICS COMMISSION received on June 12, 2013, contained in a Certified Mail envelope stamped in Big Red Letters "CONFIDENTIAL". Contained in the notice at the end of the letter (I'm sure your wife got one of these also) was a statement that said:

"As provided by N.C.G.S. § 138A-12(n), the complaint, notice of *****, and all other related information and documentation are confidential and not public records".

That is why you have found no reference to this from me, but by virtue of your sending your last e-mail, it seems to me you just violated this confidentiality notice.

Mr. Dove,

Thank you for the information you sent to me; however, you did not answer the simple question I asked.

"Is this appointment in error pursuant to NCGS 128-1.1 and Article VI, Sec. 9 of the North Carolina Constitution?" This question as well as the email sent February 20, 2014 was not sent with any malice towards anyone.

I think the question needs to be answered immediately.

Eddie,

It appears to me that Mary Ann Enloe was having a pity-party on her facebook page, much as she had with her e-mail to me on May 5, 2011, although there are some troubling aspects (liable) contained in her facebook rant. I have made the effort to transcribed her text and included it here in bold...

"Listen up, friends. I ask that you read my message. I may need you for bail money. A small group of folks who have never done anything for the good of the county are now waging an email attack against me because I sit on "too many boards". Apparently there is an obscure law which states that private citizens may sit on only two of a specific type of board simultaneously. It is unclear if the Fairgrounds Board is one of those. The interim county manager, who is an attorney, hadn't heard of this rule but he's trying to clarify it, with tne (sic) NC School of Government. In the meantime, I have resigned from the Fairgrounds Board. Anyway, these folks-- who got upset when they lost elections, lost lawsuits, and could not bully us into illegally lowering their property taxes-- have involved Chief Hollingsed and Sheriff Christopher and are seeking to have me jailed for violating a law I did not know existed. This is not a joke. As good as my imagination is, I couldn't make this up. I don't know whether or not the law applies to a 501-C3 non-profit board and the county doesn't know either. But we'll find out. I've devoted my adult life to being a voice for those who felt they had no voice. Now I need you to be my voice."

Enloe references you, me and Denny King in a subsequent post:

"THANK YOU for the messages & phone calls. The emails are written and circulated by Denny King, Monroe Miller and Eddie Cabe. The Mountaineer is researching the intent of the law none of us knew about. Folks, if I've been guilty of serving on "too many boards", I sincerely apologize."

I will take the time to analyze some of her comments below...

- **"A small group of folks who have never done anything for the good of the county..."** I can't speak for you and Denny King, but if it hadn't been for me, the Fairgrounds Arena Building would still be without toilets and ADA Facilities. You're welcome!
- **"...are now waging an email attack against me because I sit on "too many boards".**" Enloe is in violation of NC General Statute § 128-1.1. Dual-office holding allowed.
- **"Apparently there is an obscure law which states that private citizens may sit on only two of a specific type of board simultaneously."** Enloe swore multiple times (more than once for the Board of Equalization, and for the HCC Board of Trustees) to support the US Constitution and Constitution and Laws of North Carolina. A pity she apparently did not read any of them.
- **"It is unclear if the Fairgrounds Board is one of those."** Enloe should check the By-Laws of the Fairgrounds Board, which I originally obtained from her and posted on my website, haywoodtp.net/pubII/110225FairgroundsAgreement10-10.pdf, and thoughtfully re-printed out by Denny King on his e-mail last night.
- **"The interim county manager, who is an attorney, hadn't heard of this rule but he's trying to clarify it, with tne (sic) NC School of Government."** What the

[expletive deleted]! Is Enloe now using Ira Dove as her lawyer? Doesn't Dove have important Interim County Manager stuff to do? Doesn't the county have a lawyer, Chip Killian, and when unavailable, Leon Killian? Where is Chip? What about Kirkpatrick? He is also a lawyer. Frankly, I wouldn't put too much faith in any of these guy's... Chip, a.k.a. Leon sat idly by as this fiasco unfolded at the last county commission meeting and said nothing, Ira Dove collected the ballots, and Kirkpatrick voted. Perhaps someone on her facebook page will cough up some money so she can hire one of the other guys around town. What is Dove doing contacting a professor at a college for? Has he never heard of Annotated History, Case Law? Does Dove charge the county a different rate when he puts his lawyer hat on?

- **"In the meantime, I have resigned from the Fairgrounds Board."** Bingo! By the way, since Enloe was already on two (2) boards when the vote was taken at the last county commission meeting, she was an unqualified candidate. The vote was invalid, and has to be re-taken. Since there was a period of time when Enloe was seated on three (3) boards, I think Enloe should offer to return any compensation to the county during her time on the Board of Equalization and Review that she was unqualified to be taking compensation. There is also a question about the validity of her votes on the Board of Equalization and Review during these periods. I believe all of those cases should be reviewed, her vote thrown out and all cases reviewed.
- **"Anyway, these folks-- who got upset when they lost elections, lost lawsuits, and could not bully us into illegally lowering their property taxes- have involved Chief Hollingsed and Sheriff Christopher and are seeking to have me jailed for violating a law I did not know existed."** This is the sentence I'll bet she is regretting already - it is loaded with liable. Who is Enloe referring to? She subsequently mentions Eddie Cabe, Denny King and me. Denny King has lost two elections. Who lost a lawsuit? What is meant by bullying us into illegally lowering their property taxes? Who is she referring to? We will need some examples here. Who bullied you into illegally lowering their property taxes? Enloe has some explaining to do. By the way, the D/A's office monitors facebook, that would be Jeff Jones and Rachael Groffski. Who is seeking to have you jailed? All I asked was if this was a jail-able offense, and I am getting some good feedback from Chapter 14 (Criminal Law) regarding Class 2 Misdemeanors. Violating a law you did not know existed? Has Enloe ever heard the phrase "Ignorance of the law is no excuse"?
- **"I don't know whether or not the law applies to a 501-C3 non-profit board and the county doesn't know either."** The county does not know either? Obviously not! We have our so-called experts Dove - Killian - Kirkpatrick, but don't worry, we are going to get an expert opinion from some professor at the UNC School of Government.
- **"The Mountaineer is researching the intent of the law none of us knew about."** I love this! The mountaineer is going to research the **intent** of the law? It's a General Statue! I was laughing so hard, my sides almost split! Who at the mountaineer knows how to look up Annotated History and Case Law?

Ms. Enloe, why don't you try using e-mail next time. You see, I don't get facebook, and it will be a lot easier for me and everyone else concerned if you stick to e-mail.

Thanks,

Monroe Miller

Eddie,

I filed a NON VOTING SYSTEMS INCIDENT REPORT this afternoon with the County Board of Elections, filing the complaint against the five county commissioners and Mary Ann Enloe for their vote at the February 17 county commission meeting.

Did you catch the article in the Mountaineer today by Vicki Hyatt - "**Group questions public service**"? It should have been renamed "**Group questions the number of boards county commissioners can put Mary Ann Enloe on so she will be too busy to run again for County Commissioner**".

Monroe

[**Editors Note:** The print version and the on-line version have different headlines! Here is a classic example of how Vicki Hyatt manipulates readers initial perception of what the article is going to be about.

On-Line headline: "**Excessive public service questioned**"

Print Version headline: "**Group questions public service**"

Where in the [expletive deleted] is it found anywhere in this entire dialog that anyone in "the group" is questioning anyone's public service?

As I said, the more representative headline should have been: "**Group questions the number of boards county commissioners can put Mary Ann Enloe on so she will be too busy to run again for County Commissioner**".]
