JONNIE CURE ANNOUNCES HER CANDIDACY FOR MAYOR OF WAYNESVILLE, NC.

Waynesville, North Carolina. July 17, 2015. Jonnie Cure announces her candidacy for Mayor of Waynesville, NC. “Waynesville residents need a breath of fresh air!” Jonnie stated.

Waynesville needs new leadership to create policies that welcome businesses and industry into our community.

Policies must be in place that stop senseless regulations. Local government must step aside and open doors to small, medium and large businesses allowing them to prosper and create jobs in Waynesville. Government does not create jobs. Entrepreneurs create jobs.

Greater participation by voters and taxpayers in the process of governing must be encouraged. Government transparency is a vital factor in a free society. As the Mayor of the people in Waynesville I will welcome questions, debate, discussions, opinions and ideas from the voters and taxpayers who foot the bills and accept the burden of government spending.

My qualifications for this opportunity to serve as the Mayor of Waynesville include being a small business owner of Southern Exposure Realty for many years in downtown Waynesville with over 38 employees.

I am an educator by nature and have taught in the Haywood County School System. I have a B.S. degree in Education from a Baptist school, William Jewell College, just outside of Kansas City, MO.

My roots in the Waynesville community run deep and go back over twenty-five years. I am a homeowner and reside in Hazelwood. I have raised 6 of my 7 children here and care deeply for the future of Waynesville and her residents.

Jonnie Cure presenting Doyle Teague of the Board of Elections with the \$10 filing fee.
