Subject: Waynesville Middle School Choir at opening Ceremonies of 2016 Ramp Festival.

The Taxpayers of Haywood County were honored when the Waynesville Middle School Choir sang during the opening ceremonies of the 2016 Ramp Festival. Fresh from their return from a visit to the National September 11 Memorial and Museum in New York last week, they performed along with an honor guard.

These photos were taken from an aerial perspective above the American Legion site.

It was brought to my attention that the American Flag flying at this event was the flag that had flown over the Champion Paper Mill for the last 50 years. Again, an aerial perspective.

This is an aerial view from an altitude of about 395.0 feet above ground level. It has been left in the original resolution, permitting zooming magnification. Pictures from a DJI Phantom 3 Drone.

Thanks to Chuck Rector and Della Cope for providing the opportunity to take these photo's.
