**Subject:** 17CR52975 Angell Kirkpatrick Benson Fuzz Busted on Probation Violation.

17CR52975-17CR53027-17CR53028, UPDATE. Haywood County Commissioner Chairman **James Weaver ‘Kirk’ Kirkpatrick the III’s** sister, **Angell Kirkpatrick Benson**, DWI (Blood Alcohol = 0.19), was assigned multiple criminal case files. **Angell Kirkpatrick Benson** apparently got nailed for probation violation.

A local crime report paper, “Fuzz Busted” puts out mug shots of various criminal types every two (2) weeks, and is available at newsstands and check out counters at various locations in Buncombe, Haywood, Jackson, Macon and Swain Counties. It was brought to my attention that **Angell Kirkpatrick Benson** has her mug shot in the Volume 8, Issue 5, November 2, 2018 edition, under the caption “Probation Violations”.

**Angell Kirkpatrick Benson** (James Weaver 'Kirk' Kirkpatrick the III's sister) looks like [expletive deleted], but you can make your own judgement and pick your own words.

Will make an attempt to get additional information on the nature of the Probation Violation.
