Subject: Sarge's Employee creates a Voucher for Leon, a.k.a. Wagner, a German Shepard transfer.

This voucher originally appeared in <http://www.haywoodtp.net/pubII/190920SargesFollowTheDog.pdf> .

It was not until several days later that an astute individual pointed out that this Voucher (#19-008010) is to be paid by the Haywood Animal Services for reimbursement.

WTF?

What part of the MOU [re: <http://www.haywoodtp.net/pubII/190915SargesFollowTheMoney.pdf>] authorizes **Sarge's** employee's to write out Vouchers for animals that have been transferred to **Sarge's**?

According to **Doyle Teague** and the now infamous Flow Diagram, once an animal has been approved for adoption, Sarge's three (3) employee's seated in a dedicated area of the Glorified Dog Pound, control every and all aspects of any animal being adopted. By the way, this part of the process of transferring an animal to Sarge's prior to being Spay / Neutered was not included in the original Flow Diagram.

Tell me why **Sarge's** is not liable for the cost of this Voucher.

By the way,

Sarge's is having a "Sarge's Furry Friends Benefit Bash", to be held at 6 pm on Thursday, October 3, 2019, at the Laurel Ridge Country Club in Waynesville.
