

# LET YOUR LOVE OF ANIMALS LIVE ON

*Your life-long love of animals  
can become part of your legacy.*

Yes, you can make a lasting difference in the lives of Haywood County's pets by considering bequests to Sarge's Animal Rescue Foundation.

Leaving a bequest to Sarge's, when planning a will, supports Sarge's mission of saving dogs and cats – *far into the future*. Bequests to Sarge's will give comfort and safety to homeless animals in Haywood County. Let your love of animals live on through Sarge's Animal Rescue Foundation.

**Henson**

**Coty**

Henson is an incredibly handsome Treeing Walker Coonhound male about 1-2 years old. He could stand to gain a few pounds, so he's getting extra groceries here at the Adoption Center. He enjoys the company of people and dogs, and has been a steady player in the doggy play groups at the shelter. He is a sweet, friendly guy and he'll be a terrific family companion dog. Please call Sarge's at 828-246-9050 for more information.

Coty is a beautiful fluffy female kitty about 1-1/2 years old. She is super friendly and affectionate, and it is okay with her to be picked up as long as you don't try to cuddle with her too long. She likes to be brushed and petted. So far she isn't very interested in toys. Please call Sarge's at 828-246-9050 for more information.

*We rescue exceptional shelter pets,  
whose time has run out, and place  
them into foster care. They are altered  
and current on shots.*

**Please call Sarge's at 828-246-9050 or check the website at  
[www.sargeanimals.org](http://www.sargeanimals.org) for more information.**
