Update

Subject: Kevin Ensley and County Commissioners are blocking 2nd Amendment Sanctuary Resolution.

Efforts by Eddie Cabe and others have been unsuccessful in bringing this matter as an agenda item for our county commissioner to vote. The single person strong-arming this from being placed on the agenda is **Kevin Ensley** [RINO]. Why? Because **Kevin Ensley** [RINO] will object to anything brought forth by Eddie Cabe. It is my understanding that **Kevin Ensley** [RINO] has the right to approve all items placed on each agenda, and he is doing his [expletive deleted] to keep this from coming to a vote.

Various North Carolina counties have either adopted or are in the process of adoption of a 2nd Amendment Gun Sanctuary Resolution. Here is the updated status as of 1/15/2020.

If you feel our county commissioners should be doing more to listen to you, here is an invitation from **Kevin Ensley** [RINO].

“You can speak at any commissioners meeting during public comment. We always welcome public comment. Hope you have a Happy New Year and the Lord blesses you and yours.

L. Kevin Ensley, PLS

Join us at the next county commission meeting at 5:30 pm, Tuesday, 1/21/2020 at the Old Courthouse and speak your mind. Public Comments are the third item on the agenda.
