Mr. Queen,

Danny Davis, Chair of HCBOE, and the rest of the board, voted to deny me complete access to public record requests. I have been banned from sending emails to any board member or any staff of HCBOE. If I am to make a public records request, the only method available to me now is to come in person to the Board of Elections and make the request in person. Who else in Haywood County has had such a restriction placed on them. Check out the HC Ordinance. Please instruct Danny Davis to remove this restriction. As references, I have a recording of the meeting on my website, along with email dialogs, and in interesting article from Fox News and the ACLU.
