**Subject:** Email Dialog, Zeb Smathers + others and the No Parking Sign on Johnson Hill Drive.

This begins a series of articles about an epoch case of Intimidation and Abuse of Power on a Galactic Scale. The starting point is an innocuous No Parking street sign installed by the Town of Waynesville on Johnson Hill Drive located at near the end of a dead end street, which by the way, faces towards the end of the road.

This involves six (6) lawyers and counting, including the following:

- **Pat Smathers**
- **Zeb Smathers**
- **James Weaver “Kirk” Kirkpatrick the III**
- **Danya Vanhook**
- **Chuck Dickson**
- **Ira Dove**

This first installment is going to be an email dialog with several of the cast of characters, which I expect will continue and expand.

But first, I encourage you to read the Complaint filed against **Kevin “Adjudication” Ensley** regarding surveys he made regarding properties of 146 Johnson Hill Drive. They are on [www.haywoodtp.net](http://www.haywoodtp.net).

Also review the several surveyor plats associated with the complaint, two (2) by **Ensley**, and three (3) by James Davenport.

The property across the street from 156 Johnson Hill Drive, which is at the end of a dead end street, belongs to **Ira Dove**. The property beside 156 Johnson Hill Drive at 146 Johnson Hill Drive is owned by **Ed Smathers**, rented out to **Sharon** and **Dennis Ramsey**.

This, folks, is not even the tip of the ice burg, but enough background to begin the ball rolling.

So, let's see where this goes, and thus begins the email dialog...

Say Zeb,

You know a guy named Ed Smathers? Lives on Johnson Hill Road in Waynesville.

See below...

[**Editor's Note:** **Zeb Smathers** chose not to respond via email, rather I received a call and subsequent voice mail from a RESTRICTED number, left by **Zeb Smathers**. That recording will be posted on [www.haywoodtp.net](http://www.haywoodtp.net) shortly. I'm fairly certain **Zeb Smathers** will not be leaving me any more voice mail recordings from his RESTRICTED cell phone any more.]

Mr. Fowler,

What do you know about this No Parking sign? It was placed by the City of Waynesville, on the street in front of Ira Dove's house on Johnson Hill Drive.

This action was approved at a Board of Aldermen meeting on 8/10/2021.
