**Subject:** Who is this?

From time to time, various photos are posted on [www.haywoodtp.net](http://www.haywoodtp.net) to see if the person is recognizable to the Taxpayers of Haywood County. Here we go again...

**Multiple Hints!**

- Who is the woman in pink, brandishing a 4x4?
- Notice the infamous NO PARKING sign at the end of Johnson Hill Drive, approved by **Jeff Stines**.
- Is this woman swinging that 4x4 towards that guy, who is 77 years old and 70% disabled?
- This act is caught in the middle of a street, not on private property.
- Who needs the restraining order? The poor ole guy or the woman in pink about to knock him over?
