**Subject:** Request for Public Information - Jesse Fowler - Who provided WPD slide presentations?

This is a short email dialog with **Jesse Fowler**, in fact, one way so far, as he has not responded. It would be nice to know this information prior to the next Aldermen Meeting.

Mr. Fowler and Ms. Ward,

Thank you for sending me the presentations I requested. However, the presentation for the first Waynesville Police Department Community Crime presentation omitted several slides, including the one shown here:

Please forward the email that either of you received from presumably the Waynesville Police Department that included the attachments you sent to me. I would like that email forwarded to me, so that it is clear who sent the email, the date it was sent, who was copied, etc., etc., etc...

There is now a general perception, to me, that the Mayor, Aldermen, and Police Department are intentionally hiding and withholding crime information from the community.

As an FYI, please see the two links on [www.haywoodtp.net](http://www.haywoodtp.net) that are related to this request.
