Helping Hands of Haywood
June 23 at 9:10 AM ·

We are pleased to announce that WNC Bridge Foundation has selected Helping Hands of Haywood to be awarded a \$150,000.00 grant to help us carry out our mission. This grant will allow us to increase capacity and sustainability, and will be dispersed over the course of three years. We are thankful to be part of such a generous and motivated community! Thank you, WNC Bridge Foundation!

Well, Haywood Healthcare Foundation just pulled the plug on **Nicole Kott's** \$120,000 grant. Questions are arising if the Town of Waynesville will pull the plug on the remainder of the disbursement of \$35,000 to **Nicole Kott**. Wonder if WNC Bridge Foundation knows anything about this?

Who is this WNC Bridge Foundation, located in Asheville?

There is nothing on WNC Bridge Foundation's website about the \$150,000 grant to Nicole Kott and Helping Hands of Haywood. Let's find out if these folks know about what's happening here in sleepy little Haywood County.
