Subject: Where is Liberal Hack Writer Vicki Hyatt of the mountaineer?

It's been a week since the 2022 Election, and something is missing from the scene. Where is Liberal Hack Writer **Vicki Hyatt**? There have been no caustic articles by **Vicki Hyatt** in the (on-line version) of the mountaineer slamming GOP winners in the election.

For those of you new to Haywood County and www.haywoodtp.net, here are some file photos of **Vicki Hyatt**.

Most of the new articles since the election, if any, have been written by Becky Johnson (now not in **bold**), and Tyler Auffhammer. Could it be that finally, **Jonathan Key** has seen the light?

Jonathan Key has to realize that if he doesn't put a muzzle on Liberal Hack Writer **Vicki Hyatt**, all of his advertisers will leave a sinking ship, and he will have to close the doors.

So, what will happen with Sebastian Cothran, the newly elected Tax Collector? Let's review what happened when Haywood County voters threw out **David Francis** as Tax Collector, and elected Mike Mathews. **Kevin "Adjudication" Ensley** and Liberal Hack Writer **Vicki Hyatt** made his life a living hell, **Kevin "Adjudication" Ensley** at every single commission meeting, and a continuous barrage from **Vicki Hyatt** in unceasing articles in the mountaineer.

Bring it on.
