Hope this email gets to you okay, and not treated as spam.

I hope you're doing well. Sorry for the delay as I try to refrain from work emails on the weekends. I do not represent Ed Smathers on any civil matters. I hope you have a wonderful Christmas.

Zeb,

Thank you for responding and clarifying, in writing, that you do not represent Ed Smathers on any civil matters.

During the hearing on October 11, 2022, before Judge Monica Leslie, one would never have known that, the way you were beating up on Lois Hollis during the intervals when the 50-C was being discussed. Wasn't that supposed to be done by Ed Smathers?

I have nine (9) pages of meticulous hand written notes I took during that hearing, which I feel is enough to initiate a Grievance with the North Carolina Bar Association against you for beating up on Lois Hollis during that hearing, when you were not representing Ed Smathers.

The below links indeed refer to 08CVS1193, which is a civil action, one that you can ask your Dad about, because it is about to come back to life.

See: [08CVS1193. Open Letter to Andrew Ritter, Executive Director, NC Board of Examiners for Engineers and Surveyors, re: admonishment of James Davenport. 12/4/2022...](#)

(My website got blown up on this yesterday).

Getting back to Ed Smathers, I will be introducing some new stuff on my website relating to the case you were representing Ed Smathers, 22CR50955, similar to other videos I have put on that led to Ed Smathers being found guilty of ASSAULT ON A FEMALE, and multiple criminal charges filed by Sharon Ramsey which resulted in dismissal of all of them. Judge Leslie ruled that Ed Smathers had to stay out of trouble for the next 18 months. These new items will be photographs which will focus on that.

As I said before: Wanted to see if you were interested in having all this stuff go away. I have an idea. Let me know if you are interested in getting together sometime.

[**Editor's Note:** SUPER SECRET STUFF HERE! I am revealing my idea! DO NOT LET **ZEB SMATHERS** KNOW YET, AS I WANT TO SURPRISE HIM WITH IT!]

SECRET "IDEA".

My idea is to recommend **Zeb** talk to his client, **Ed Smathers**, and suggest the following. Once this is done, I will be able to direct my efforts into other area's that will more benefit the Taxpayers of Haywood County, and less time on:

- **Zeb Smathers**
- **Ed Smathers**
- **Sharon Ramsey**
- **Dennis Ramsey**
- **Pat Smathers (Zeb's Dad)**
- **James Weaver "Kirk" Kirkpatrick the III**
- **Ken Henson (Zeb's Father-in-law)**
- **CHARLES DOUGLAS WRIGHT**
- **Lynda Bennett**
- **Cornelia Cree**
- **All the Waynesville Aldermen**
- **Jeff Stines**
- **WPD Chief David Adams**
- **etc...**

Here we go...

- Have **Ed Smathers** remove the **Fence from Hell** he constructed on Joe Lipari's and Lois Hollis property (Yes, the "**Ensley Survey**" referenced by Judge Brad Letts in 08CVS1193, is wrong. We will get to that when I post details of **Kevin "Adjudication" Ensley's** screw-up. It is coming soon. Wait for it...)
- Have **Ed Smathers** remove the yellow chain blocking Joe Lipari's and Lois Hollis driveway, and
- Have **Ed Smathers** remove all of the No Trespass signs on his property blocking entrance to the Lipari property.

Ed Smathers “Fence from Hell”, Yellow Chain, No Trespass signs.

All of these items are eventually going to be removed, the only question is sooner or later. It’s all up to **Zeb Smathers**.
