Subject: Email Dialog with Bryant Morehead, re: Lying his [expletive deleted] off.

This is a short, one way, email dialog with **Bryant Morehead**, beleaguered Haywood County Manager, about comments he made to **Liberal Hack Writer/Editor Vicki Hyatt** of the mountaineer. I have no recourse other than to believe **Bryant Morehead** lied his [expletive deleted] off when he was quoted as saying:

“While the jail annex building will be removed to allow for the new construction, other county facilities near the site will remain, including the county garage and former EMS and animal shelter facilities, which are now used as storage.”

Bryant Morehead was exposed when an Appeal of Administrative Decision by Peggy Hannah was posted in the upcoming meeting for the 03-07-23 ZBA Agenda Packet for March 7th, 2023 meeting.

[The Town of Waynesville Zoning Board of Adjustment Agenda Packet for March 7th, 2023 meeting. Whoa! Check out pages 15-17. Peggy Hannah filed an Appeal of Administrative Decision! This could bring the whole New Detention Center plans to a grinding halt until this gets straightened out. 2/27/2023...](#)

If someone needs to point a finger at jeopardizing the forward motion of the New Detention Center, it is **Elizabeth Teague**, who allegedly broke every rule in the LDS book [re: Appeal of Administrative Decision], in her attempt to get zoning changes passed for the New Detention Center.

Here we go...

Mr. Morehead,

See: [The Town of Waynesville Zoning Board of Adjustment Agenda Packet for March 7th, 2023 meeting. Whoa! Check out pages 15-17. Peggy Hannah filed an Appeal of Administrative Decision! This could bring the whole New Detention Center plans to a grinding halt until this gets straightened out. 2/27/2023...](#)

Peggy Hannah's Appeal of Administrative Decision involves her unhappiness regarding the moving the waste station right in front of her house. It can't be moved unless other county facilities are torn down.

But how can that be, because you told Vicki Hyatt that:

In a front page article in the mountaineer, Sunday, 2/26/2023, "Jail Expansion is happening, but how to pay for it remains unclear", by Liberal Hack Writer/Editor Vicki Hyatt, she quotes Bryant Morehead near the end of the article -

"While the jail annex building will be removed to allow for the new construction, other county facilities near the site will remain, including the county garage and former EMS and animal shelter facilities, which are now used as storage."

Did you just tell a big fat lie? Is Vicki Hyatt carrying your water? If these buildings are torn down, will they have to be rebuilt somewhere else, and will you be counting the cost of that into the total cost of the New Detention Center?

Please resolve this for me.

I'm still waiting on Kris Boyd to provide me with the Moseley contract, which I have not received yet. Can you please kick him in the butt for me?
