**Kevin “Adjudication” Ensley** also verbally announced this meeting during the constituent concerns portion of the last county commission meeting, advising all the county commissioners will be there + inviting members of the press to attend.

Let’s back up a minute.

See and review the following on [www.haywoodtp.net](http://www.haywoodtp.net):

Recall that **Kevin “Adjudication” Ensley** was scheduled to speak at the Buttered Biscuit on 9/29/2022, announced on 8/31/2022, but then punched out three weeks before his scheduled appearance with the excuse that he was going to be sick that day.

Then, **Brandon Rogers** casually requested that **Kevin “Adjudication” Ensley** accompany him for a new scheduled appearance on 5/11/2023.

Does anyone smell a set-up?

Then **Kevin “Adjudication” Ensley** announced that members of the press are encouraged to attend at the last county commission meeting, and all the commissioners will be present.

So here you have a publicly noticed gathering of county commissioners, a full quorum, and no official county business will be discussed? That is the purpose of inviting and having people speak at the Buttered Biscuit. If a question is asked, and it involves county business, and there is a concurrence of a viewpoint by a quorum of county commissioners, a decision will have been made. This is the same slippery slope **Kevin “Adjudication” Ensley, Brandon Rogers, Tommy Long and Jennifer Best** fell off the cliff with the **Kevin “Adjudication” Ensley** email to **Cory Vaillancourt** about their concurrent stabbing Terry Ramey in the back.

See on [www.haywoodtp.net](http://www.haywoodtp.net)

[Appearance of Impropriety - Cory Vaillancourt - Kevin "Adjudication" Ensley - Jennifer Best - Tommy Long - Brandon Rogers. These county commissioners were conducting county business \(piling on the Honorable Terry Ramey, who is an elected county official\), making county decisions amongst and between each other, and without a public notice. At the minimum, this is a flagrant Appearance of Impropriety. 3/3/2023...](#)

Does anyone on God’s Green Earth believe that the Concerned Citizens of Haywood are going to allow **Cory Vaillancourt**, or any member of the news media, into the Buttered Biscuit, a private establishment, during this meeting?

Does anyone believe that since this is a publicly noticed meeting that **Kevin “Adjudication” Ensley** will attempt to take over the meeting and treat it as a regular county commission meeting?

[**Editor’s Note: Kevin “Adjudication” Ensley** couldn’t run a meeting to save his life. He has to have everything prepared for him, just like the ‘Let’s Go Brandon’ queue cards. So I don’t think we have to worry about that.]

Let’s see where this goes...
