Subject: Why was the July 3 County Commission Meeting Canceled?

Why was the 7/3/2023 county commission meeting canceled? Didn't know it was canceled? The reason is simple.

[.mp4 Video. Ambush Journalism! **Cory Vaillancourt** Going Berserk!!! Prior to the county commission meeting, **Cory Vaillancourt** was in Terry Ramey's face + jamming a cell phone in his face, barking questions about Ramey's taxes, standing so close Terry Ramey felt spit on his face. 6/5/2023...](#)

That's right, the smn tabloid's own **Cory Vaillancourt** [D] charged with assaulting a county commissioner. See on www.haywoodtp.net :

[23cr325887. **Cory Vaillancourt** charged with SIMPLE ASSAULT. "... willfully did assault TERRY RAMEY by SCREAMING WHILE PUTING HIS PHONE IN MR. RAMEY'S FACE, FOLLOWING HIM SCREAMING WITH SPIT HITTING MR. RAMEY'S FACE AND HANDS." 6/5/2023. 6/7/2023...](#)

Cory Vaillancourt's [D] day in court is Monday morning, 7/3/2023, 9:00 am, the same time at the first county commission meeting of the month.

Terry Ramey will have to be present in court, along with the alleged perpetrator, **Cory Vaillancourt** [D], hopefully back in time from his vacation in the Ukraine.

Afer review of the short video above, none other than **Bryant Morehead** is standing between the alleged perpetrator and victim. He is the county manager. Additionally, **Kevin "Adjudication" Ensley** [RINO] and **Jennifer Best** were seated in their seats at the time **Cory Vaillancourt** [D] was yelling his head off at Terry Ramey.

All of these people are likely to be called as witnesses in this case, which happen to comprise a quorum of county commissioners + the county manager.

No quorum = No meeting.
