UPDATE - Part 2

Subject: Email Dialog with Jesse Fowler/Martha Sharpe Bradley - Locker Room Use at the Rec Center.

This is an email dialog with **Jesse Fowler**, Chief David Adams, Luke Kinsland, and the only person bothering to respond, **Martha Sharpe Bradley**, picking up where I left off with Part 1. See on www.haywoodtp.net

<https://www.haywoodtp.net/pubII/230726EmailDialogFowlerBradley.pdf>

Martha Sharpe Bradley seems to be the single person steering the boat at this point, and the only person to respond, even though this email is widely copied. It appears conclusive at this point that two things are apparent. **Martha Sharpe Bradley** and **Jesse Fowler** are:

- Perpetuating a hoax,
- Lying by Omission.

The walls are starting to close in and these two people are struggling. In the following series of emails, **Martha Sharpe Bradley** is concentrating more on keeping her [expletive deleted] out of the fire (i.e. worried about a pending Grievance to be filed against her) than responding to my request for reviewing the Rec Center video footage.

When I first received an unsolicited invitation to view Rec Center surveillance video, it was via an email from **Jesse Fowler** on 7/24/2023 at 2:21 pm. I responded with a phone call to **Jesse Fowler** at around 2:40 pm. We both agreed to meet at the Rec Center at 3:15 pm. **Jesse Fowler** arrived with **Martha Sharpe Bradley** shortly there after, at around 3:20 pm.

That is less than an hour elapsed time after his first invitation before I actually reviewed the videos.

It has been over 24 hours of stalling by **Martha Sharpe Bradley** since my initial new request to her on 7/26/2023 at 9:35 am.

Every second she burns up refusing to allow me to view the newly requested surveillance video and take pictures of the women's locker room does not look good, and is most certainly going to add to the Grievance that will inevitably be filed against her.

The following is a continuation of the email dialog from Part 1.

Mr. Fowler,

How much time does Martha Sharpe Bradley need to formulate a plan to cover your [expletive deleted], and the bottom of a string bikini is not going to do the trick.

Chief Adams, looks like a little sloppy work by Det. Paige Shell on report. Was she fed the same story line I was by Jesse Fowler and Martha Sharpe Bradley?

Please respond with a date and time for this inspection.

Ms. Bradley,

I believe I have enough material to begin processing a Grievance against you with the North Carolina Bar Association.

I would also like to revise my original request for review of the afternoon video surveillance recordings on 7/12/2023 to begin at 1:00pm, rather than at 1:30pm.

Ms. Bradley,

Thank you for wishing me luck!

Please find attached an acknowledgment from the North Carolina State Bar, Office of Counsel, providing a Grievance case file number 22G1392 against a Haywood County lawyer, Zeb Smathers. I guess I will keep doing against you what I did with Zeb Smathers, and let's see where this goes. Maybe we can cancel your bar card.

Still looking to review those surveillance videos and grab some photos of the women's locker room and sauna. Let me know when you devise a plan.

Our file number: 22G1392

Dear Mr. Miller:

The grievance you filed against the above-named attorney was received on December 29, 2022 and has been assigned the file number listed above. Please refer to the file number in any correspondence regarding the grievance and direct any additional information or questions you may have to me.

The State Bar will review the grievance. As part of that review, the Bar may refer the grievance to a local grievance committee. If this happens, you will be notified in writing. In either case, you or other witnesses may be contacted. We may also contact the respondent for a response. You should not be concerned that the grievance is being ignored if you are not contacted, however. We assume that you have explained the grievance on the grievance form and generally will not contact you unless we need more information. The N.C. State Bar's authority is restricted to determining whether a lawyer violated the Rules of Professional Conduct and, if so, imposing appropriate professional discipline. The State Bar cannot advise you or assist you concerning any legal matters in which you may be involved. **You should not wait until the grievance at the State Bar is resolved before seeking legal advice concerning any claims you may have or any lawsuit in which you are involved.**

Ms. Bradley,

Instead of worrying about the Grievance that is inevitably heading your way for perpetuating a hoax, why don't you concentrate on setting up a time for me to review the surveillance video and figuring out how I can get into the women's locker room to take some pictures.

Since I don't happen to have a woman's string bikini in my drawer, can you volunteer one of yours? It might be a little large for me, but I should be able to tuck everything in...

I would think at this point, you are all asking yourselves, why is it that I want to take photos to establish a baseline for correlation of the inside of the women's locker room. Why is that?

As for viewing the surveillance footage, we will provide you with access to view the public records you have requested within a reasonable time as required by NCGS 132-1.
