UPDATE 4

Subject: UPDATE! Request for Public Information - Ramey Cell Phone data sent to **Cory Vaillancourt.**

This is a new **UPDATE** to my Request for Public Information from **Joey Webb, Jr.**, CGCIO, custodian of the information he sent to **Cory Vaillancourt** from Terry Ramey's Cell Phone dumpster dive. See previously on www.haywoodtp.net -

Well guess what! The last email from **Joey Webb, Jr.**, CGCIO, was 6/26/2023. This guy has now gone dark.

Now that the video is out for the last county commission meeting -

we can now go back and listen to what **Kevin "Adjudication" Ensley** remarked responding to my Public Comment earlier in the meeting. And specifically, start at 15:24 minutes into the video, when **Kevin "Adjudication" Ensley** says:

"As far as, uh, I'm sure Mr. Webb has provided the information that he can provide at this time, so ..."

WTF?

It is obvious that someone has put the lid on **Joey Webb, Jr.**, CGCIO providing the information that I have requested. This is problematic in two areas:

- How long has **Kevin “Adjudication” Ensley** known that “**As far as, uh, I’m sure Mr. Webb has provided the information that he can provide at this time, so ...**”, and let **Joey Webb, Jr.**, CGCIO being continuously hammered by me, county commission meeting after county commission meeting? **Kevin “Adjudication” Ensley** has hung **Joey Webb, Jr.**, CGCIO out to dry, i.e., thrown him under the bus.
- Could it be that the County Attorney, **Frank Queen**, is suppressing release of this public information, since **Joey Webb, Jr.**, CGCIO screwed up initially, let’s not do it again?

Seems I might be asking the wrong person for releasing this public information. Perhaps I should direct future inquiries to **Frank Queen**, rather than **Joey Webb, Jr.**, CGCIO.
