UPDATE!

Subject: Drag Queen event at the Meadowlark Motel in Maggie Valley, invitation by Tera McIntosh.

UPDATE!

There was a reference to the Haywood County democrat website in the original article at the end of the third page.

“Don’t forget to look at the Haywood County democrat website encouraging people to capture young peoples minds and turn them into transgenders (NC democrats support Trans Youth).”

Well, some sneaky little devil removed the little piece of artwork associated with democrats encouraging people to capture young peoples minds!

However, thanks to an alert Concerned Citizen of Haywood County, they screen shot that little piece of artwork, and here it is!

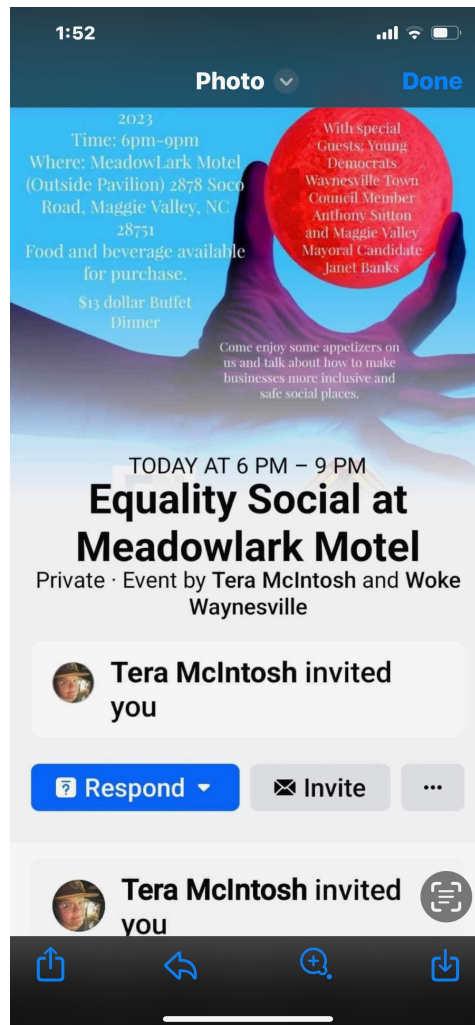

Continuing with the original article...

Subject: Drag Queen event at the Meadowlark Motel in Maggie Valley, invitation by Tera McIntosh.

Normally, this event would have simply flown under the radar, but some of the participants at this event are running for political office, both in Maggie Valley and the Town of Waynesville. That makes it noteworthy and therefore appears on www.haywoodtp.net.

This “invitation only” gala event was held in the outdoor pavilion at the Meadowlark Motel last Thursday evening. A variety of photos are included taken at the event, as these people are doing their best to be in your face. All of these photos were posted (and captured) on **Tera McIntosh’s** Facebook page. As you are acutely aware, I totally avoid Facebook or anything said on Facebook, as there is no accountability for anything people post. In fact, the last time I put anything on www.haywoodtp.net from a Facebook source was way back with **Kitty Currin** (a.k.a. **Catherine Pergerson**, a.k.a. ACAB [All Cops Are Bastards] motel) along with **Nicole Kott**. Unfortunately, it didn’t end well for **Kitty Currin**, nor **Nicole Kott**, for that matter.

By invitation Only.
Special Guests, **Anthony Sutton** and **Janet Banks**.

Two (2) candidates for Municipal Elections attended this gala event:

- **Anthony Sutton**, incumbent running again for Waynesville Town Council, and
- **Janet Banks**, running for Mayor of Maggie Valley.

This gala appears to be the brainchild of **Tera McIntosh**, as the photos here were taken from her facebook page. These people dox themselves. **Tera McIntosh** was the third (3rd) person to speak at the Town of Waynesville meeting of 7/25/2023, where **Chelsea White's** band of **LGBTQ+ supporters** hijacked the Public Comment Session.
