Subject: Flashback! ‘Rethink jail, some urge’, by Vicki Hyatt, the mountaineer, Mar 14, 2021.

Flashback! **Vicki Hyatt**, Liberal Hack Writer for the mountaineer wrote this piece back in March of 2021. She was covering a gathering of Down Home people protesting against the New Jail. This article is now relevant on so many levels, it will be difficult to equate and connect the dots with all of them. Here is the article -

The mountaineer will most likely ask for a contribution for reading this article, to keep their newspaper afloat. That will present a barrier to about 75% of the people right off the bat.

In this article, a small, but vocal group of people, associated with Down Home North Carolina, gathered in the parking lot of the old hospital. Notables included:

- Jesse-lee Dunlap,
- **Gary and Lucia Lund**,
- Down Home leader **Tracy Mann**,
- **Flemming Sanders**, a Down Home member,
- **Chelsea White-Hoglen**, a.k.a. **Chelsea White**,
- Joey Reece, on the other end of the spectrum.

Vicki Hyatt took photos of the event, but two that were relevant were of **Chelsea White-Hoglen**, with her one year old boy, Noble.

STORMING YOUNG — Chelsea White-Hoglen checks on her son, Noble, in between chatting with other Down Home members who were part of a car caravan.

CAR CARAVAN — Chelsea White-Hoglen checks on her son, Noble, in between chatting with other Down Home members who were part of a car caravan.

Wait a minute! Dot's don't connect!

Is this the same **Chelsea White** who confronted people at the Dunkin Doughnuts parking lot on 8/24/2023, yelling to folks that they were bigots, racists and fascists? See on www.haywoodtp.net

She yelled at one of the folks:

- This woman, and she does appear to be a woman by her shapely hips (not a guy), announced that she had a three (3) year old daughter, that her mother would never see, because of her mother's abuse to her.

Three year old daughter? Wait, how can that be? The photos in the **Vicki Hyatt** article shows what appears to be her one year old (at the time) son, Noble, which would make him about three (3) years old now. Why is **Chelsea White** referring to Noble as her daughter?

One of the mysteries of life, I suppose.
