Subject: Bethel House Address for Voter ID? Email Dialog with Doyle Teague / Robert Inman.

How many homeless people are using the Bethel House, 1534 South Main Street, for a residence on the Haywood County Voter Registration List?

Ten (10)!

WTF?

This concept popped up during the meeting **Chelsea White** and her band of LGBTQ+ Supporters hijacked the Town of Waynesville Public Comment Session on 7/25/2023, specifically **Veronica Ethereal**. See on www.haywoodtp.net

There are currently, based on the current Haywood County Voter Registration List [re: VR_Database_Excel_202310171013499739.xlsx] -

- Ten people using the Bethel House for their voting address, and
- Fourteen people using the Bethel House as their mailing address.

Let see what **Robert Inman** has to say about this. Here is an email dialog¹, directed to Doyle Teague, Deputy Director of Haywood County Board of Elections.

Mr. Teague,

Are you familiar with the Bethel House? It is located at 1534 South Main Street, a business address for aiding homeless people. It is not a residence, yet after searching today's current Haywood County Board of Elections Voter Registration List, guess how many homeless people are using that for their residence/ mailing address? VR_Database_Excel_202310171013499739.xlsx

Residence = 10

Mailing Address = 14

¹ Based on the last directive from Authoritarian/Dictator/Chair **Danny Davis**, I am not to send any emails to the Board of Elections.

WTF?

How is **Inman** allowing this to happen? The numbers should be zero (0).

Suggest if anyone voting thus far and have used that for their address, be purged from the vote total, after address verification.

Let me know what's going on here. While you are at it, why don't you check the address for the First Methodist Church, by the Post Office, another known homeless people facilitator. Better yet, why don't you do a check on the entire Voter Registration List, sort first by Residence, then by Mailing address, and see how many people are using the same addresses as there Residence and Mailing Addresses.
