**Subject:** Email Dialog with Scott McLeod - News stands in Post Offices.

An email dialog with **Scott McLeod**, publisher of the smn tabloid. As usual, email dialogs with **Scott McLeod** don't result in much two-way dialog. This topic looks at the next phase of "Operation get smn tabloids and their other publications off of USPS Property".

Scott!

Thanks for providing the locations of all of your news stands.

It's been a little busy with the election, but you can rest assured, we will go after all of these that are in Post Offices far and wide.

Hey! The mountaineer moved their news stand today from the Waynesville Post office.

It's now out on the sidewalk next to yours. Do these sidewalks belong to the Town of Waynesville? If they do, let's see what happens after the election.

Mountaineer News stand, kicked to the curb.<sup>1</sup>

<sup>1</sup> Didn't have this photo in time for **Scott McLeod's** email, but decided to stick it in anyway.

We still have to clean up the Hazelwood Post office (Becky Johnson, need to get your crew out to move this one).
