Subject: News stands on USPS property next on the hit list.

More snm tabloid and the mountaineer news stands at the Lake Junaluska and Canton on USPS property that are about to disappear, thanks to “Operation remove all snm tabloid (and their publications) from every USPS property in Western North Carolina”.

Lake Junaluska USPS site. How long will it be before these are gone?

Answer, in a flash, thanks to **Cory Vaillancourt**, snm tabloid.

These news stands are all on USPS property in Canton. Can you imagine how many people that are going to be pissed at **Cory Vaillancourt**?
