Haywood County "Toeprints" January 19, 2015 Vol. #6 Issue #5 (Subject: Commissioners defiantly trample rules - Fairgrounds Board Appointments) www.haywoodtp.net

What's Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi–monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

Commissioner Appointment - Fairgrounds Board.

Here is yet another example of county commissioners defiantly and flagrantly kicking Haywood County Taxpayers in the teeth. It occurred during the 12/15/2014 county commission meeting when they appointed applicants to the Fairgrounds Board.

These are your commissioners that you keep electing.

The following item of new business appeared on the agenda for the 12/15/2014 county commission meeting.

9. Request appointment of two (2) members to the Haywood County Fairgrounds Board – Ira Dove, County Manager – ATTACHMENT 18.

There had been openings for weeks for these two positions, and finally, county commissioners had enough applicants to fill them, or did they?

Attachment 18 contained resumes of three people.

- Nancy Davis presently Secretary,
- Michael Gordon presently Vice Chair,
- Ted Carr [RINO] (recently rebuked by GOP).

There resumes are appended to the end of this newsletter. Two of these applicants have been on the Fairground Board for the last two terms: **Nancy Davis** and Michael Gordon.

Whoa!

Had anyone looked at the Fairgrounds By-Laws recently? They are conveniently located on <u>www.haywoodtp.net</u>, see: <u>http://haywoodtp.net/pubII/110225FairgroundsAgreement</u><u>10-10.pdf</u>.

In particular, pay attention to Article IV. Officers, on page 8 of this file. It says:

A. The officers of the Fairgrounds Board shall be a chairman, vice chairman, treasurer and secretary. The officers elected at the 2010 re-organization meeting shall remain in office until October 2012. At the first meeting in November 2012, an election will be held to select new

officers who will serve two years. Officers may serve two consecutive two-year terms. Elections shall be held in even -numbered years at the November meeting, terms of office to begin at that meeting. If reappointed to the Fairgrounds Board by the BOCC, previous officeholders may be re-elected after sitting out one two-year term of office.

What does this say to you?

If an officer has been on the board for two years, that officer is ineligible to be appointed again.

These By-Laws were signed of by (none other than the secretary) **Nancy Davis**, on page 9 of the pdf file.

Yet, both of these people re-applied. No one can tell me **Nancy Davis** did not know about this term limit. She signed the [expletive deleted] thing. **Kevin Ensley** [RINO] sits on that board. He [expletive deleted] well should know the By-Laws!

Commissioners made aware in advance of vote!

The guiding rule when I deal with County Commissioners, **David Francis**, etc., etc., is that if I recommend something, they will do exactly the opposite, because it irks the [expletive deleted] out of them when I am right, so they will do the exact opposite - at all costs.

I sent an e-mail to **Ira Dove** and all county commissioners on 12/12/2015, alerting them to the problem of re-appointing **Nancy Davis** and Michael Gordon to the Fairgrounds Board.

On 12/13/2015, I sent another e-mail specifically referencing the Fairgrounds By-Laws prohibiting the re-appointment of **Nancy Davis** and Michael Gordon.

[Editor's Note: These two e-mails are appended to this newsletter immediately following all of the candidates resumes.]

So what do we have here? We have a bunch of lawyers, now fully aware of Fairgrounds Board By-Laws prohibiting reappointment after two successive terms.

These lawyers are:

- Ira Dove
- Kirk Kirkpatrick
- Leon, a.k.a. Chip Killian

What do you think happened?

During the meeting, **Ira Dove** announced the candidates, gave each commissioner a ballot, and commissioners voted. **Ira Dove** announced the results so quietly, even **Swanger** had to have **Dove** repeat the results [re: Video of Commission meeting, www.haywoodnc.net].

Ira Dove announced the winners were:

- Nancy Davis
- Michael Gordon

What?

Analysis of the vote.

The actual ballots were obtained from **Candace Way** based on a Request for Public Information, and appear after the two e-mails to **Ira Dove** alerting **Dove** to why commissioners could not vote for **Nancy Davis** or Michael Gordon.

	Davis	Gordon	Carr
Swanger	х	х	
Kirkpatrick		х	Х
Ensley	х	х	
Upton	х	х	
Sorrells	х		х
Totals	4	4	2

[Editor's Note: Actual Ballots follow the two e-mails alerting everyone commissioners could not vote for either **Davis** or Gordon.]

Some observations...

Commissioners were again between a rock and a hard place.

They only had three candidates and two positions to fill.

Ted Carr had just been rebuked by the GOP Executive Committee (that ought to have been a badge of honor to these commissioners).

Ted Carr [RINO] was rebuked because he urged voters to vote for **Michael Sorrells [D]**, a democrat.

Who did Ensley [RINO] vote for? Not Ted Carr!

Who did Sorrells vote for? Ted Carr!

Question is, why did Kirkpatrick vote for Carr?

Kirkpatrick, a lawyer, still screwed up and voted for someone he knew was ineligible.

Frankly, I thought the Fairgrounds Board deserved a good dose of **Ted Carr** for two years!

Conclusion.

Here we have three (3) lawyers, who ought to know better, did not advise commissioners that they could not vote for **Davis** or Gordon.

The lawyers (same ones who shafted our new Tax Collector after he was elected) are:

- Ira Dove
- Kirk Kirkpatrick
- Leon, a.k.a. Chip Killian.

All three of these lawyers ought to start looking for a slew of Grievances filed against them with the North Carolina Bar Association. This will be one of the Grievances.

Minutes.

[Editor's Note: The following are from the approved minutes of the 12/15/2014 meeting.]

Request appointment of two (2) members to the Haywood County Fairgrounds Board. Chairman Swanger recognized County Manager, Ira Dove. Mr. Dove stated that the County had advertised and received several applications to the Haywood County Fairgrounds Board. Two applicants are current Fairgrounds Board members. One interview had been conducted prior to the meeting. Mr. Dove distributed paper ballots which were completed by the Board. Mr. Dove tallied the votes and Michael Gordon and Nancy Davis were elected. The votes were as follows:

Tedd Carr received two votes from Commissioner Sorrells and Vice-Chairman Kirkpatrick.

Nancy Davis received four votes from Commissioner Sorrells, Commissioner Upton, Commissioner Ensley and Chairman Swanger.

Michael Gordon received four votes from Commissioner Upton, Commissioner Ensley, Vice-Chairman Kirkpatrick and Chairman Swanger.

Have you ever seen this before? A vote tally in the minutes? No, of course not. This was like pulling teeth to get this. When confronted why tally results were not posted in the minutes, **David Teague** said - we have a lot of latitude here.

When confronted directly on this issue, namely by Denny and Debbie King with presenting **Candace Way** and **David Teague** with a North Carolina General Statute that requires vote tallies to be posted in minutes - viola! We now get to see how commissioners vote on this stuff.

Legend: If any name is in **bold**, it can't be a good thing.

Say, Mr. Dove,

It was brought to my attention that Ted Carr has an application in for the Fairgrounds Board [re:agenda]. Man, what an impressive resume! You should read it.

It was also brought to my attention that the Fairgrounds Board has some by-laws. One of them seems to be that incoming appointees have to submit to a background and financial check. Is that true? Does Carr know about this? Additionally, there appears to be a term limit of two (2) years. You will have to check this out! If so, evidently commissioners did not bother with this detail with Mary Ann Enloe, as they kept re-appointing her. Why don't you check to see how many terms Nancy Davis has been on the board. If it is two, do you suppose commissioners will disregard the by-laws again, or will they disqualify her and put Carr on? I think the Fairgrounds Board deserves Ted Carr for a term or two. Check all this out with Ensley, as he is on that board.

Didn't Mark Swanger appoint his niece or someone like that as chairman of that board? Did I here there was some sort of problem with a padded expense report? Please check with Ensley on that also.

Speaking of the Francis Farm landfill, you know, the one that landfill and solid waste expert Interim Tax Administrator David Francis provided the overview at the last workshop, that trucks hauling dirt into that place are only partially full? What is that all about? Don't worry, I am in the process of seeing if I can get some photographs of this, so that you, as county manager and lawyer, will be aware of this.

By the way, I have a couple of Requests for Public Information still pending. Is your computer not working again? Why don't you get back to me on this and the pending Requests for Public Information when your computer starts working again.

Hey Mr. Dove,

Check out this Agreement signed by Swanger and Enloe (attached) in October 2010! Also on my website - <u>http://haywoodtp.net/pubII/110225FairgroundsAgreement10-10.pdf</u>.

Draw your attention to page 7 of the pdf file, where it shows the amended and re-stated by-laws, Article III, Fairgrounds Board Membership, D., "Members may serve two consecutive terms if reappointed by the BOCC". (Correction from previous e-mail, the term limit is two consecutive terms, not two years).

How does it feel to keep being thrown under the bus by Swanger?
