Preliminary Voting Guide - November Election.

This is part of a continuous update on the November Voting Guide.

[**Editor’s Note:** Although I adhere to a strict policy of never using anonymous sources, I am going to bend the rule just a little bit, because this is just too good to pass up.]

It has been learned (through un-named sources, although pretty good ones) that **Kevin “Adjudication” Ensley** [RINO] was none too happy that Terry Ramey came through the primary election.

Unhappy to the point where he supposedly indicated that if Ramey won the election in November (he would have to beat **James Weaver “Kirk” Kirkpatrick the III** [D]), then he would quit.

So, if you are unsatisfied with both **Kevin “Adjudication” Ensley** [RINO] and **James Weaver “Kirk” Kirkpatrick the III** [D], you can take both of them out simply by voting for Terry Ramey.

[**Editor’s Note:** Not to get too excited, as history has shown us that plenty of people said they were going to move to Canada if Trump was elected. Never happened.]

Legend: If any name is in **bold**, it can’t be a good thing.
